

# Hot Spot

My life is like a work/ that is always in progress  
Mama used to say/ watch the crowd you hand out with  
them kids around the block/ be on some nonsense  
but I didn't listen/ didn't see the consequence  
It started from leaving stores/ with fat pockets  
I wasn't copping/ so my friends started mocking  
but when I started stealing yo/ I couldn't stop it  
I was straight violating/ my own conscience  
We went from small licks to picking locks at houses  
that is what we thought/ would have brought the hotness  
the amount of stuff we stole/ was straight up shocking  
But then one day popo/ came up knocking  
Said something's came up missing from a nearby apartment  
went to my mains and my name they started dropping  
my heart started pounding/ like a just caged robin  
I should have listened to mom/ and climbed out the pot quick

## Verse 2

Just like some folks no joke will damage ya  
some will give ya hope fa sho and stand with ya  
show you tough love maybe even challenge ya  
but call you beyond the life of being an amateur  
they see beyond the lenses even caught by a camera  
and bring the right equation like you be up in algebra  
and water destiny that be planted in us  
activating a mind state waiting to erupt  
when you understanding this man you will flip  
and begin the authorship of your own manuscript  
sure there are folks who just be acting scandalous  
so get with those who respect your perimeters  
without support I couldn't even handle this  
without Uncle Ted and Jen and people to stand with  
me when all I could see was the hood like damaging  
they should me the good life and know I live it passionate

## Verse 3

To bring out the best you know what you say yes to  
hook up with a fresh crew that will always respect you  
it might just be one dude there to come catch you  
but he'll always come thru when its time for the rescue  
a good friend will check and express without a spectacle  
he'll let you know that you can't settle bro  
but the jealous folks will try to provoke the lesser you

but let them know they can't hold to the best in you  
 good company will lead you thru all of the hating  
 and let you know no matter what you're never forsaken  
 as your purpose is awaking you'll soon be elevating  
 and demonstrating a way out in any situation  
 no debating you'll find that cats is blind to the plot  
 when opposition is itching it is a sign that you got  
 your position and your vision so shine in this spot  
 and when they ready to listen help them climb out the pot

## Climbing Out
