The Reality Ride (Song 1) Processing Questions

- What does the last line in the third paragraph down mean to you? ("So take the harder track and stay out of the loop")
- What does the first line in the fourth paragraph down mean to you? ("On the reality ride, when I'm gonna crash I look inside")
- What do you think the writer meant when he said, "Look inside"? (If the group has a difficult time answering this question, ask, "What would motivate you to stop crashing?")
- Why will the harder track give you more opportunity, freedom, and self-respect?
